Nukkad Natak

December 4, 2020

It is important to not let the ongoing pandemic stop one's flow of creativity and self-expression. Our cadets took an opportunity to make use of their talents and put forth a Nukkad Natak on the theme 'Segregation of Waste'. The distinctiveness of this Nukkad Natak was that it was prepared and performed online.

Seminar on Plastic Management

December 13, 2020

Every day India produces more than 1.50 lakh metric tonnes of waste. While some of this waste is biodegradable, a huge chunk of it is not. It is important for this waste to be treated carefully and appropriately because its mismanagement can have disastrous consequences.

Realizing the seriousness of the issue, the cadets conducted a seminar on Microsoft teams on the theme '**Plastic waste management-A way ahead**' to spread awareness.

Republic Day January 26, 2021

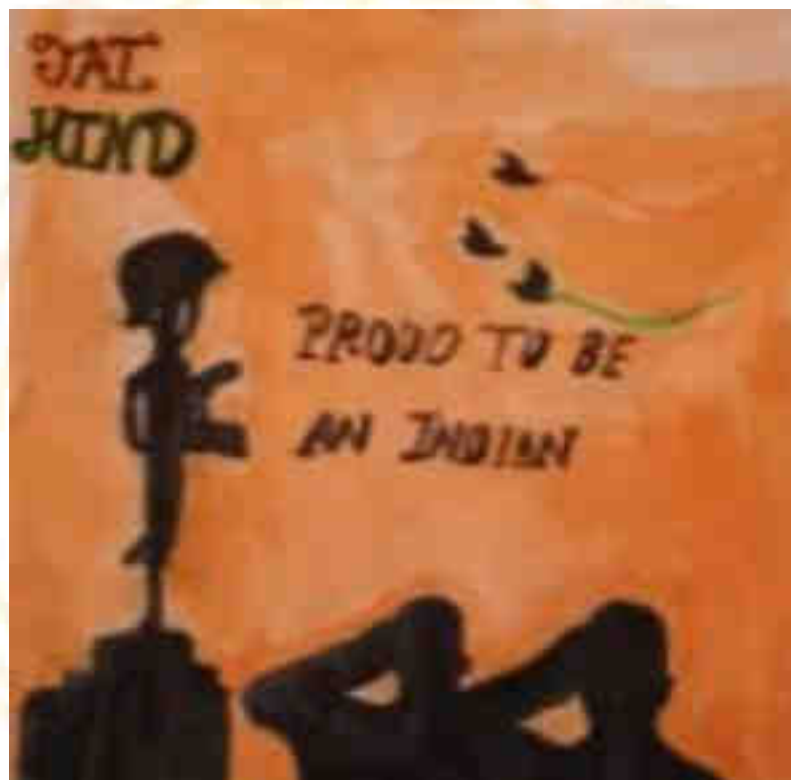

This day is widely celebrated throughout the country as Republic Day. It marks the day India's constitution finally came into force and the country became a sovereign republic.

This day is a reminder of not only the struggles of our Freedom Fighters but also of the expectations that are on us as the youth of this nation to carry this light forward.

Being locked indoors, it was certain that this Republic Day would be a little different. The cadets decided to celebrate the day virtually and spread a message of motivation and optimism to the world.
