An online test was taken by the Staff Editor Dr. Gitanjali Mahendra and Dr. Meenakshi Sharma for selecting the Editor and Co- Editor (English and Hindi section) of the college Magazine 'Echoes 2020-21'. The students selected were as follows:-

Editor English Section-	Aarushi
Co- Editor English-	Angel Shan
Editor Hindi Section-	Vibhuti Pawar

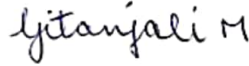

An online meeting of the members was held. The meeting commenced with Dr. Gitanjali Mahendra congratulating the selected members. The members discussed the theme of the "Echoes 2020-21". Some of the suggestions given by the Editorial Board were as follows:-

1. The magazine must have separate sections for articles, poems, book reviews, and creative artwork.
2. The theme of the magazine could be "Kintsugi" the Japanese art of putting broken art together with gold. Just as our students managed to emerge stronger in the challenging times of the Covid -19 pandemic.
3. An email- ID could be made for receiving inputs from the students.
4. The society and committee members would be asked to give their reports before the winter break.

The meeting ended with the student and the staff Editors coming to a consensus for the theme of "Kintsugi" for "Echoes 2020".
