AN AWARENESS PROGRAM UNDER HAR GHAR TRIANGA CAMPAIGN

On August 14, 2022, the Department of History organized an awareness program as part of the Har Ghar Trianga campaign under the Azadi Ka Amrut Mahotsav, with the objective of invoking a sense of patriotism and promoting awareness among the people. The students of the Department of History conducted the program by approaching and interviewing members of the general public, asking them questions related to India's 75th anniversary of independence.

Objective: The awareness program aimed to invoke a feeling of patriotism in the hearts of the people and promote awareness about the significance of India's 75th anniversary. It encouraged people to bring the Tiranga (Indian national flag) home and hoist it to commemorate the milestone year of India's independence.

The awareness program provided an opportunity for the students to engage in social service and community activities. It fostered a socially conscious mindset among the students and imparted value-based holistic education in line with the vision of the college. By participating in such initiatives, the students were able to set goals for their future beyond themselves and practice national integration and social harmony.

Outcome: The students had the opportunity to interact with the public, accommodating their questions and clarifications. They developed skills in mobilizing community participation and demonstrated their enthusiasm for national development. The program not only promoted patriotism and awareness among the people but also provided students with valuable experiences in community engagement and social responsibility.
