

St. Bede's College Shimla

## INSTITUTIONAL DISTINCTIVENESS

### “EMPOWERING WOMEN THROUGH HOLISTIC DEVELOPMENT”

St. Bede's College is a distinctive institution dedicated to empowering women through holistic education encompassing creativity, cognitive skills, physical fitness, ethics, community service, and experiential learning, in line with the visionary goals of the 2020 New Education Policy (NEP).

#### Imparting Socialistic Values:

- What sets St. Bede's College apart is its **weekly value education classes** that not only impart socialistic values but also provide mentorship to students. These classes serve as vibrant platforms where students engage in meaningful discussions with mentors, expressing diverse opinions. Additionally, these sessions focus on nurturing essential soft skills, such as communication, leadership, and interpersonal abilities, ensuring that students are not only socially responsible but also well-prepared for their future endeavours.
- Each academic year begins with a **unique and inclusive gathering**, transcending religious boundaries. This ceremony invokes blessings and promotes self-holistic growth, highlighting the college's commitment to secularity, tolerance, and unity in diversity.
- In the last five years, the college has actively engaged students in **community outreach**, showcasing a strong dedication to social responsibility. Through NSS, NCC units, and Community Outreach Cell, the college has adopted villages and schools, driving impactful initiatives like distributing ration packets, awareness campaigns, and celebrating festivals with local communities.
- The Zoology Department, working alongside the NCC unit, created a **donor database** for IGMC Shimla, gaining support from 63 dedicated students. This initiative underscores our college's commitment to community welfare and proves invaluable during emergencies. In times of crisis, our student volunteers have demonstrated remarkable altruism by donating blood 11 times at Indira Gandhi Medical College and Hospital as well as Kamla Nehru State Hospital, offering crucial assistance during critical situations.
- **Unique extension activities** on significant national and international days, organized by societies and cells like the Women Cell, Red Ribbon Club, and Community Outreach Cell, further distinguish the college.
- **Environmental initiatives** led by the NCC units, including workshops, rallies, and clean-up drives, shine a spotlight on the college's pioneering role in raising awareness about environmental conservation. They have even received recognition as "PIONEERS OF THIS GOVERNMENT INITIATIVE."
- Another distinctive initiative is the **Honesty Store** initiated by the Department of Economics in 2021, which focuses on developing and checking the honesty and socialistic values of students.
- The college stands out by promoting higher education among **women from diverse backgrounds, especially rural areas**. The college's commitment is exemplified through various scholarships offered in collaboration with Badrika Ashram cum charitable and social welfare society.

## St. Bede's College Shimla

### Focus on Physical Development:

- In a distinctive move, the college introduced **physical education as an elective course** in 2020-21 to emphasize the significance of sports.
- The college's **well-equipped gymnasium** showcases its commitment to physical fitness.
- Hosting a prestigious **three-day inter-college basketball tournament** adds a unique dimension to the college's sports initiatives.
- The celebration of **National Sports Day** with tournaments in yoga, ping pong, badminton, and basketball, featuring over 100 enthusiastic student participants, reflects the college's vibrant sports culture.
- **The gold medal won at a national championship** and the commendable achievement in the North Zone Women Inter-University Basketball Championship in Kanpur underline the college's prowess in sports.
- The selection of two students for the **Himachal Pradesh University Basketball Summer Coaching Camp** is a testament to the college's unique focus on nurturing sports talents.
- Three exceptional students receiving the **CDD Sports Trust Scholarship** further distinguishes St. Bede's College.
- A distinctive **value-added course on self-defense** underscores the institution's commitment to the holistic development of its students.

### Opportunities for Experiential Learning:

The college stands out with its experiential learning opportunities that empower students with hands-on experience and managerial skills.

- Student involvement in organizing **intra-college and inter-college activities** like Literary Meets, Quiz Competitions, Debates, Seminars, and Workshops highlights our dedication to nurturing leadership and organizational skills.
- The distinctive practice of conducting **non-political college elections** annually enhances the leadership qualities of students, who subsequently form the college council. These student representatives actively contribute to various decision-making committees, such as IQAC, Internal Complaint Cell, Anti Ragging Cell, and Discipline Committee.
- The college distinguishes itself through its innovative '**Financial Lab cum Incubation Centre**', a trailblazing endeavour that not only equips students but also empowers local women with essential job skills while nurturing their entrepreneurial spirit. This distinctive center transcends conventional education by organizing placement drives, creating pathways to promising careers for all who seek them.
- **Distinctive add-on courses**, such as Tally learning, Communication and Personality Development, Biodiversity, and Defense Training, provide students with a competitive edge.
- Numerous **departmental certificate courses** further emphasize the college's unique commitment to skill development.
- The college's **MOUs with national and international institutions** create exceptional opportunities for students, offering exposure and learning experiences that extend beyond traditional classroom boundaries.

### Development of Cognition:

The college distinguishes itself by providing extensive opportunities for cognitive development.

- **'Echoes,' the annual college magazine**, provides a distinctive platform where students and teachers showcase their creativity through various expressive forms like poems, articles, stories, essays, interviews, and book reviews. Students actively engage in the magazine's editorial process, gaining practical skills in publishing and journalism.
- Departments **empower students** to take an active role in assisting faculty members with **organizing workshops, conferences, and seminars**. This hands-on involvement extends to engaging in research projects, affording them distinct opportunities to present their research findings.
- The college offers students distinctive chances to explore their academic interests and enhance their writing and research skills through **departmental newsletters** such as Bedenomics, Unfettered, Zoology Buzz, It's Politic-al Critic, and Knowledge Zenith.
- Students play a pivotal role in preparing **departmental activity calendars, brochures, and invitations** for various events, distinctively developing organizational and communication skills vital for their future careers.
- The active involvement of students in preparing **e-certificates** for events further enhances their technological skills.
- The distinctive commitment of the college is encapsulated in its aim to **develop students' cognitive abilities** and foster their significant contributions to society, echoing the motto "Non-Nobis Solum."

This unwavering commitment sets St. Bede's College apart as a nurturing ground for future leaders, individuals who are well-prepared to create a profound and positive influence on society.

**EVIDENCE OF SUCCESS**
