

Minutes of Anti-Ragging Committee Meeting

Date: August 4, 2024

The Anti-Ragging Committee convened on August 4, 2024, under the chairmanship of Dr. Sr. Molly Abraham, Principal of the institution. The meeting commenced with a review of the previous year's commendable achievement of maintaining zero incidents of ragging, a testament to our institution's unwavering commitment to a zero-tolerance policy against ragging.

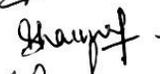

It was unanimously agreed upon that the anti-ragging committee would maintain a stringent vigilance during the upcoming academic session to ensure the prevention of any untoward incidents on the campus premises. Recognizing the importance of proactive measures, the committee decided to organize an awareness lecture on anti-ragging in the forthcoming week.

To enrich the lecture with legal insights and expertise, Ms. Sheetal Vyas, a distinguished criminal lawyer from the High Court of Himachal Pradesh, was cordially invited to address the students. Her valuable perspective is anticipated to further reinforce the gravity of anti-ragging measures.

Additionally, it was decided to retain the existing anti-ragging squad for the current session, ensuring continuity and efficiency in enforcing anti-ragging protocols.

The meeting concluded with a vote of thanks to the Chairperson for her leadership and guidance.
