## Minutes of the Department Meeting

A meeting of the faculty of English was held in the department room on September 8, 2018 at 2.00 PM.

The meeting was chaired by the head of the department Ms. Anuja Sharma. She appreciated the efforts made by the students to celebrate teachers' day in the college. There was a discussion on students who are irregular in attending classes. It was felt that strict disciplinary action must be taken to check irregularity. Some of the suggestions given by the members were that the parents of the students with less than 75% attendance must be called to meet the respective subject teachers. The names of these students must be given in the office for further perusal. If such students require counseling they should be sent for counseling sessions.

Ms. Anuja Sharma told the members that the students must be encouraged to undertake research activities and the faculty members must support and guide them.
