Minutes of Meeting

The meeting of the Physics Department was convened on December 2, 2024, at 10:40 AM. Dr. Sapna Sharma, Head of the Department, welcomed the members and initiated the discussion on the following agenda items:

1. Guest Lectures

Dr. Sharma proposed the organization of guest lectures to enhance the department's academic outreach. Plans for inviting eminent speakers in the field of physics were discussed, with suggestions for potential topics and dates. The department agreed to move forward with the idea.

2. International Year of Quantum Mechanics (2025)

The department discussed strategies to commemorate the International Year of Quantum Mechanics. A special program will be organized to highlight significant advances in quantum mechanics and engage both students and faculty in its celebration. Dr. Sarveena emphasized the importance of fostering greater awareness and interest in quantum research.

3. Science Day Celebrations (28.02.2025)

The department confirmed its participation in the upcoming Science Day celebrations. The theme and activities for the event were briefly outlined, and the need for volunteers to assist with event planning was noted. A follow-up meeting will be scheduled next week to finalize the program details and assign responsibilities to students.

The meeting was adjourned with an agreement to reconvene in the following week for further updates and planning. Following members attended the meeting

1. Dr. Sapna Sharma

2. Dr. Sarveena

3. Mr. Amit Katoch
