ACTIVITIES 2024-25

GUEST LECTURE ON RESEARCH METHODOLOGY

Date: 27 July, 2024

Objectives:

1. To make students know about research work.
2. To equip the students with the use of various statistical tools for research.

On July 27, 2024 Department of Commerce and management organized a guest lecture on "Research Methodology at St. Bede's College for students of M.Com. Prof. Vijay Singh Chandel, Associate Professor, Department of Commerce, was the resource person. He enlightened the students about the use of various statistical tools required for research work. Their team also resolved the queries of the students related to the security market. The interactive session enriched the students with valuable knowledge regarding research and importance of research in the economy, leaving them better equipped to navigate the complexities of research. The lecture was highly informative and beneficial for all Students of M.Com.

Outcomes:

1. Students learnt basics of research.
2. Lecture was informative which helped students to understand basic concepts of research and statistical tools.

STOCK MARKET WORKSHOP

Date: 8 August, 2024

Objectives:

1. To make students aware about financial instruments.
2. To elaborate the working of Bombay Stock Exchange.
3. Do's and don'ts while purchasing and selling the securities.

On August 8, 2024, Dr Savita Rana, HOD of Commerce and Management, successfully organised a workshop at St. Bede's college on stock market. The guest speaker, Mr. Harbinder Singh Sokhi, Mr. Prince Singh and their team enlightened the students about the intricacies of the stock market. Their team also inspired the students to invest in the market and consider a career in the same. Their team also resolved the queries of the students related to the security market. The interactive session enriched the students' understanding of stock market operations, leaving them better equipped to navigate the complexities of investing. Overall, the workshop was highly informative and beneficial for all attendees.

Outcomes:

1. The workshop helped in understanding the basic concepts of stock market.
2. Students were educated about the procedure of selling and purchasing the securities.
3. Students were educated about the risk involved with different types of securities

CELEBRATING ANTI - RAGGING WEEK

Date: 14 August, 2024 – 18 August, 2024

Objectives:

- To spread awareness and educate the students.
- To promote a zero-tolerance approach towards ragging.
- To create a supportive, respectful, and ragging -free environment.

Description:

From August 14, 2024 – August 18, 2024 an inter-department activity was conducted by the Department of Commerce and Management, in collaboration with the Department of Computer Science.

- **Video on Anti Ragging: 14 August, 2024**

A video was shown to the students on Anti-ragging Awareness in the seminar room. The video included the experiences of college going students related to the ragging aspect.

- **Slogan Writing Competition: 16 August, 2024**

A slogan writing competition was held in the college auditorium by the students.

- **Just a Minute: 17 August, 2024**

“Just a Minute” activity was conducted in the computer lab, where students were given a minute to think and speak on the topic.

- **Poster Making Competition: 18 August, 2024**

A “Poster Making Competition” was conducted in the college auditorium and students from different departments participated in the competition.

Outcomes:

By conducting different activities, students gained a thorough understanding of what constitutes ragging, its various forms, and detrimental effects on individuals and the campus community.

Department of Commerce and Management
St. Bede's College, Shimla

Students were informed about the institutions 'Anti-Ragging Policies', including the legal ramifications and institutional procedures for reporting and addressing incidents of ragging.

- **Slogan Writing Competition: 16 August, 2024**

Winners:

- 1st Position- Shimmer Chandel
- 2nd Position-Neha Haraina
- 2nd Position-TripatiSingla

- **Poster Making Competition: August 18, 2024:**

Winners:

- 1st Position- Palak Thakur
- 2nd position- Sneha Chandel
- 2nd position-Neha Haraina

CELEBRATION OF UDYAMITA DIWAS

Date: 21 August, 2024

Objectives:

- To engage students in exploring how entrepreneurship can positively impact individuals, communities, and the broader economy.
- To educate students on how entrepreneurship can serve as a powerful tool for creating job opportunities.
- To inspire women to pursue leadership positions by showcasing the achievements of successful female entrepreneurs.

Description: On August 21, 2024, The Department of Commerce & Management hosted a 90-minute event to celebrate Udyamita Diwas for BBA and BCA students. The program featured inspirational videos that highlighted real-life entrepreneurs who took risks to achieve their current success. One notable video was a TED Talk by Bill Roche titled "The Power of an

Department of Commerce and Management
St. Bede's College, Shimla

Entrepreneurial Mindset," which introduced students to key entrepreneurial skills such as creativity, critical thinking, problem-solving, flexibility, and communication. The video also showcased young students aged 9 to 12 participating in the Young Entrepreneur Show, where they launched businesses, engaged with customers, and earned real money.

Another featured video focused on Howard Schultz, the owner of Starbucks, detailing the challenges he faced and how he overcame them to achieve success. This video highlighted the value of trusting one's own instincts and persevering despite setbacks, quoting Robert Heinlein: "Always listen to the experts, because they are very good at telling you what you cannot do and why you cannot do it, and then you must go and do it anyway." This message encouraged students to use obstacles as motivation to achieve their goals.

Following the session, students were excited to realize that fulfilling, meaningful, and self-reliant careers are achievable not just in the future but also today. The event concluded with an interactive Q&A session where students asked questions and engaged with teachers. The program, attended by over 60 students, was well-received, with participants providing very positive feedback on the learning and awareness experience.

Outcomes:

- Students gained a deeper insight into the entrepreneurial ecosystem and its components.
- The success stories presented will motivate aspiring entrepreneurs to take bold steps and launch their own ventures.
- Entrepreneurs will develop a better understanding of available government schemes and learn how to access funding and mentorship resources.

Celebration of Udyamita Diwas

INDUSTRIAL VISIT TO ITC MANPUR, BADDI

Date: November 30, 2024

Venue: ITC Manpur, Baaddi

Objectives:

1. Bridging the Gap Between Theory and Practice:

To enable students to relate classroom concepts to real-world business practices.

2. Understanding Organizational Functions:

To provide exposure to different functional areas such as marketing, finance, human resources, production, and logistics and to understand the flow of processes within an organization.

3. Gaining Industry Knowledge:

To learn about industry trends, operational challenges, and business strategies and to observe emerging technologies and innovations in business practices.

Department of Commerce and Management
St. Bede's College, Shimla

Description:

On November 30, 2024, the Department of Commerce and Management organized a highly informative and insightful industrial visit to ITC Limited, Manpur, Baddi, for the students of B.Com 3rd year. This visit was aimed at providing the students with a firsthand experience of the manufacturing processes and operations behind one of India's leading companies in the personal care segment. ITC Limited, known for its high-quality products, gave students an in-depth look at various stages of production, particularly focusing on personal care items such as Vivel, Fiamma, Engage, and Savlon.

Upon arrival, the students were greeted by ITC's knowledgeable staff, who provided an overview of the company's history, its commitment to quality, and its manufacturing capabilities. The visit gave students a clear understanding of ITC's approach to product development, marketing, and distribution.

The highlight of the visit was a detailed tour of the production units, where students observed the entire manufacturing process of bathing bars, toilet soaps, and perfumes. They were shown how raw materials are sourced, processed, and transformed into finished products. Students got an opportunity to understand the precision involved in creating these products, especially the intricate steps in mixing, molding, packaging, and ensuring the safety and quality of each item. The emphasis on hygiene, quality control, and the application of advanced technologies in the manufacturing process fascinated the students and provided them with practical insights into how large-scale production operates.

The tour also provided a deeper understanding of how ITC adheres to environmental sustainability practices, such as waste management, resource conservation, and the use of eco-friendly materials. These aspects of the company's operations highlighted the importance of sustainable business practices in today's industrial landscape.

In addition to the technical and operational knowledge, the students were also exposed to ITC's commitment to innovation and continuous improvement in product quality. The visit was an excellent learning opportunity, as it gave the students a clear perspective on the interplay

Department of Commerce and Management
St. Bede's College, Shimla

between business functions, operations, and the manufacturing process. It allowed them to connect theoretical concepts from their course material to real-world applications, especially in the field of production and supply chain management.

This industrial visit proved to be extremely beneficial for the students as it broadened their understanding of the personal care industry and helped them gain a practical understanding of how businesses in the manufacturing sector function. The experience gave them a valuable glimpse into the challenges and complexities of running a large-scale manufacturing unit and highlighted the importance of teamwork, efficiency, and innovation in achieving business success. Overall, the visit to ITC Limited was an enriching and educational experience that left a lasting impact on the students, providing them with knowledge and skills that would be beneficial in their academic and professional journeys.

Outcomes:

1. Enhanced Practical Understanding:

Students gained firsthand exposure to the functioning of industries and organizations.

They understood how theoretical concepts are applied in real-world scenarios.

2. Improved Knowledge of Business Operations:

Students developed a comprehensive understanding of business processes, from procurement to production to distribution. They learned about organizational structures, strategies, and decision-making processes.

3. Networking Opportunities:

Industrial visit helped students with opportunities to interact with professionals and industry leaders.
